

Faze Three Autofab Limited

Health & Safety Policy

It is the OH&S policy statement and intention of management to recognize and accept the importance of health, safety, and welfare concerning its staff and others who might be affected by workplace activities. To ensure that this policy is clearly defined, understood, and effectively implemented at all stages of the company's operations, a documented OH&S system has been developed to comply with the requirements of ISO 45001:2018 to which this manual is correspondingly referenced.

The OH&S policy statement is:

- Committed to providing safe and healthy working conditions for the prevention of work-related injury, and ill health and is appropriate to the purpose, size, and context of the organization, and to the specific nature of its OH&S risks and OH&S opportunities.
- Committed to providing a framework for setting OH&S objectives.
- Committed to fulfill legal requirements and other requirements.
- Committed to eliminate hazards and reduce OH&S risks.
- Committed to continual improvement of integrated management system.
- Committed to consultation and participation of workers and where they exist, workers representatives.
- Available and maintained as documented information.
- Communicated, understood, and applied within Faze three Autofab Limited.
- Adequate to control the health and safety risks arising from our work activities.
- Adequate to maintain safe plant and equipment.
- Adequate to ensure safe handling and use of substances.
- Adequate to provide information, instruction, and supervision for employees.
- Committed to ensuring all employees are competent to do their tasks and give them adequate training.
- Committed to prevent accidents and cases of work-related ill health.
- Committed to maintain safe and healthy working conditions.
- Committed to establishing a process to review and revise this policy as necessary at regular intervals (e.g. management review)
